

EDUCON 2018

Back to the Basics of Event Planning - Building Blocks for the Future

AMENITY KIT DONATION FORM

The MPI-AZ EduCon 2018 theme is **Back to the Basics of Event Planning - Building Blocks for the Future**. This year we will remain housed at **Civana Carefree** for all the education sessions and most meal functions. Our focus is providing exceptional educational sessions in key areas of meeting/event planning. Attendees will leave with the building blocks to help set the foundation for future meetings and events.

We are looking for donations of items for our Amenity Kit giveaway. All attendees that book and stay at the conference hotel will receive one of these amenity kits. See below for a list of items requested. All companies that donate will be listed on a special thank you card placed inside the kit and thanked in a social media post about the kits on our FB page.

The Arizona Sunbelt Chapter of Meeting Professionals International has a membership of over 375 meeting industry professionals. Through the planning and execution of meetings and events; these individuals help create an impact of over \$17 Billion for the state of Arizona. The focus of MPI-AZ is high-level education, productive networking and giving back to the community.

 Name: _____ Title: _____ Company: _____

Address: _____

City: _____ State: _____ Zip: _____

Phone: _____ Email: _____ Website: _____

I will provide a qty of 60 – 80 items for the amenity kits. Items to be received by August 20, 2018. We will follow-up on qty of items and delivery methods. Item selection is on a first come basis – if you wish to offer something not on the list, please contact Cathy Clifton at 480-241-1648.
